

# 4A \*Classroom Connection\* 4B

March 4-8, Week 26

*Efficiency is doing things right;  
effectiveness is doing the right things.  
Peter Drucker*

Fourth grade is very different today, March 1, 2024, than on September 1, 2023. Parents and teachers have worked to help students be more efficient. Nonetheless, ultimately only the Spirit enables people to be effective by choosing right things. At this point in the year, it's tempting to allow life's business to steam roll all of us; however, may we look to the Lord for grace to grow in being efficient and effective and give these children godly examples.

## **The World's Bible**

*by Annie Johnson Flint*

Christ has no hands but our hands To do His work today;  
He has no feet but our feet To lead men in His way;  
He has no tongues but our tongues To tell men how He died;  
He has no help but our help To bring them to His side.

We are the only Bible The careless world will read;  
We are the sinner's Gospel, We are the scoffer's creed;  
We are the Lord's last message, Given in deed and word;  
What if the type is crooked? What if the print is blurred?

What if our hands are busy With work other than His?  
What if our feet are walking Where sin's allurements is?  
What if our tongues are speaking Of things His lips would spurn?  
How can we hope to help Him And hasten His return?
