Acrostic Poem – Biography

Genre:

A **biography** is a story of a real person's life written by another person.

Directions:

Select a biography that you have not read before. Below is a list of suggestions, but feel free to explore other options. If your book is not on the list or in the class library, bring it to class to be double checked to make sure it is the correct length and correct genre. After reading the biography, you will write an acrostic poem to show sequence and understanding of the story. The words that go down the side of the poem should be the person's name (if the person's name is long choose either their first or last name). On the back of this page is an example of acrostic poem.

Poems should be written in cursive. After you have written the poem, illustrate the poem.

What is an acrostic poem?

An acrostic poem uses certain letters in each line to spell another word or message.
