

# OUR CLASSROOM MANAGEMENT PLAN

Dear Parents,

Welcome to the new school year. We are so excited about having your child in class and consider it a privilege to be their teacher.

In order to make the most of our time together, it is important that we establish a concrete understanding of expectations and classroom procedures from the very start. Our goal is to make these expectations clear and to consistently reinforce the classroom rules throughout the school year. We would like our classroom to be a learning environment that will help your child to be as productive as possible.

We will spend some time in the classroom discussing ways to respond Biblically and appropriately in a variety of scenarios. This will help them learn how to respond Biblically to common classroom situations.

We will also reward positive character daily. Your child will have the opportunity to earn individual coupons called character cash. They will receive this for completed homework, poem, book report, verse and positive behavior. We want to encourage and reward Biblical character qualities. We will then have a class store once a quarter where the students can then spend their character cash in our class store.

If we ever observe that a student is not showing good character, then we can also take away character cash. They may also be asked to fill out an inspect, reflect and correct form. The purpose of this form is to allow them to process their behavior and think through correcting it for the future.

As always, please feel free to contact us with any questions that you may have regarding our classroom management plan. We look forward to partnering with you and pray that it will be a successful 4th grade year for your child.

Sincerely,

*Mrs. Pickard & Mrs. Morrell*
