October Book Report **Mystery**

Definition:

Mystery fiction tells a story where a crime or a mystery is solved.

Directions:

Select a mystery book that you have not read before. I have included a list of suggestions, but feel free to explore other options. If your book is not on the list or in the class library, please bring it to class to make sure it is the correct length and correct genre. Books should be around 150 pages. For this book report, you will be creating a "wanted poster" showcasing a character from your book. The character that you pick is the person who will be the "wanted" person on your poster. It doesn't have to be an illegal act that the character committed; it could be some kind of fault or failure. Attached to this page is a small example of the wanted poster that you will be creating. The poster can be any size or shape. Students may use any materials they choose. Be sure to include all of the elements on the poster that are included on the sample. The attached rubric explains how you will be graded.
